THE PENNSYLVANIA STATE DENTAL JOURNAL

Vol. 1 April, 1934 No. 5

RESOVIN

The dense, hard, impermeable surface bespeaks of the cleanliness of this remarkable denture base material. Oral secretions, foods, liquids, condiments, have no effect upon a Resovin denture. It flows tightly about the teeth so that neither debris nor bacteria finds harbor here, consequently denture breath is never associated with Resovin.

Being compatible to the tissues, light in weight and a material that will mold to the most minute detail of the model and not warp, it is obvious that Resovin will give the patient a degree of comfort heretofore unknown in denture bases.

Editorial

To All Ethical Dentists in Pennsylvania

Ladies and Gentlemen:

Your State Society will meet in Pittsburgh on May 1st, 2nd and 3rd, at the William Penn Hotel.

An excellent diversified program has been arranged—your 1934 membership card entitles you to admission to this great meeting. One of the greatest displays of oral lesions (wax models) will be open to you during the meeting.

During a period of prevailing business conditions such as we are experiencing now, it is more necessary than ever for dentists to attend dental meetings and discuss their problems with other members of the association.

If you are not a member of your State Society join immediately, come along to Pittsburgh. You may rest assured you will find a valuable convention session, much to do, many places to go, a great deal to see and experience.—Golf Enthusiasts will be royally entertained all day Monday, April 30th. The Scientific sections will begin Tuesday morning. The banquet will be held Wednesday evening. It is never too late to learn—Come along to Pittsburgh.

Pennsylvania State Dental Society

Program

May 1, 2, 3, 1934

William Penn Hotel, Pittsburgh, Pa.

Tuesday, May 1st

9:30 A. M.

Address of Welcome, H. C. Metz, President

OPERATIVE SECTION

10.00 A. M.—E. G. Meisel
Health Needs from a Dental Standpoint.

2.00 P. M.
50—General Clinics—50

PROSTHETIC SECTION

2.00 P. M.—L. S. Fletcher
Lecture Clinic—Immediate Denture Service. (Admission by ticket only.)

(A limited number of tickets for the lecture clinics may be secured at the registration desk. Apply early.)

President's Message

Once again we are anticipating with pleasure the arrival of the members of the Pennsylvania State Dental Society. Our Officers and committees are working hard to see that your stay in Pittsburgh will be both pleasant and profitable.

In this issue of the Journal you will find a copy of the Programme. It covers all phases of Dentistry and each subject is in the hands of a man carefully selected for his recognized ability and authority. We have tried to make this meeting a practical one so that you may be able to take away with you ideas and suggestions that will prove useful in your every day practice. All the committees, of course, were handicapped by our greatly reduced budget, but I feel sure nevertheless that when you study our Programme you will find that the meeting will be well worth your attendance.

The unselfish contributions of the many individuals who have devoted so much valuable time to the preparation of these meetings have in large part developed our profession to the position it now occupies, and now, as in the past, are making possible a continuous professional education for each of us.

Several new projects have been entered into by our Society this year. We have undertaken the Dental Health Survey for the United States Public Health Service and the State Emergency Medical and Dental Relief Programme. A Progress Report of the Health Survey appears in the March issue of the Journal and a detailed report of both activities will be given to the House of Delegates at this meeting.

It is our sincere hope and wish that each and every one of you will enjoy a very interesting, pleasant and valuable visit in our city. We shall endeavor to fulfill the promises we made when you accepted our invitation to hold the Sixty-sixth Session of the Pennsylvania State Dental Society in Pittsburgh.

Our task of preparation is completed; your presence is now required to make the meeting a success.

H. C. METZ.

Commonwealth of Pennsylvania

State Emergency Relief Board

Harrisburg, February 1, 1934

To: ADVERTISING PHYSICIANS
To: ADVERTISING DENTISTS
FROM: Harold A. Miller, M.D., Director of Medical Relief

It has been brought to the attention of the State Emergency Relief Board that you are advertising and I wish to call your attention to the fact that advertising for or soliciting business in any manner is in violation of the spirit of the State Emergency Relief Program.

First: You attempt to produce business which would not otherwise go to the office of the physician or dentist. This is an Emergency Medical Relief intended only to care for those who, in the usual course of events, would consult their physician or dentist.

Second: You violate the spirit of the Rules and Regulations in suggesting to the patient that they consult you instead of consulting the physician or dentist of their choice thereby violating the provision of the Rules and Regulations to preserve the physician-dentist-patient relationship.

Medical or dental work done by physicians or dentists who have violated the spirit of the State Emergency Relief will not be paid for. In all cases where this method of securing medical or dental work comes to the attention of the State Emergency Relief Board, the offending physician or dentist will be removed from the participating list.

Sincerely yours,
HAROLD A. MILLER, M.D., Director of Medical Relief

The following is a copy of a letter received from Dr. Miller in reply to my request for additional information and authority to so notify the advertising dentists:

My dear Dr. Metz:

There is no way for the Relief Board to determine in advance the advertising physicians or dentists. When this matter was brought to the attention of the Relief Board, Mr. Biddle very promptly ruled, in accordance with the bulletin sent out, and in addition, that the Relief Board will not compensate the advertising physician or dentist for work he had done. All unpaid bills in this or other offices will not be paid and they are off the list.

It is very difficult to draw a strict line of demarcation between advertisers, but it is no doubt true that all advertising was done with the thought of getting business for the individual, and definitely and distinctly violates the thought behind the Rules and Regulations which is that the patient goes to the physician or dentist of his choice. You are no doubt aware of the very strict attitude the Relief Board has taken in the way of our workers in order that we do not in any way violate the spirit of this rule.

Sincerely yours,
HAROLD A. MILLER, M.D., Director Emergency Medical Relief

This order to the advertising physicians and dentists under date of February 1, did not reach the headquarters of some of the county relief administrators until the first of March, and therefore bills that have already been O'Kayed for advertising dentists will be paid, but any bill now in the office of the county administrators for correction will not be paid. You are therefore authorized to return to the advertising dentists any bill or bills which he presents with a copy of the enclosed order marked "210." These copies can be furnished by the county relief administrator.

If you have not been checking these bills to date, please bring this notice to the attention of your county relief administrator.

Very truly yours,
Dr. H. C. METZ, Pres.

• • •

Emergency Relief

March 14, 1934

TO: CHAIRMAN OF COUNTY EMERGENCY DENTAL ADVISING COMMITTEE.

The following was requested of the Emergency Relief Board and the authorization is herein enclosed:

> "SPECIAL EMERGENCY TREATMENT: In case of pulp involvement of the six anterior teeth above or below, a fee of $5.00 will be allowed for the treatment, root canal filling and temporary filling placed in the tooth involved."

This fee is the combined amounts representing a treatment of an aching tooth, three treatments at $1.00, a treatment for an acute condition, and $1.00 for a temporary filling.

AUTHORIZATION

My dear Dr. Metz:

As a special authorization, any one of the six anterior teeth, above or below, having a pulp involvement needing treatment, root canal filling, and permanent filling can be treated with the assurance that a fee of five dollars ($5.00) will be allowed provided, however, that in every case the chairman of the local dental advisory committee will give his approval and so signify on the medical or dental order.

You can readily understand that this is read into the picture as a special authorization. Hence no general order can be issued to this effect.

Sincerely yours,
HAROLD A. MILLER, M.D.
Director Emergency Medical Relief

Notice

Fraternity Meetings and Dinners will be held on Tuesday Night.

Board of Trustees

PENNSYLVANIA STATE DENTAL SOCIETY

Harrisburg, Pennsylvania

January 7, 1934

A meeting of the Board of Trustees of the Pennsylvania State Dental Society was held in the Penn-Harris Hotel, January 7, 1934. The meeting was called to order by the Chairman, Dr. E. G. Meisel, with the following present:

First District	A. H. Reynolds
Second "	R. M. Walls
Third "	W. E. Davis
Fourth "	O. J. Specker
Fifth "	C. A. Sheely
Sixth "	F. W. Clinger
Eighth "	H. D. Roberts
Ninth "	R. J. Sample
Tenth "	E. G. Meisel
Eleventh "	J. V. O'Donovan

Dr. Meisel relinquished the chair to the President of the Society, Dr. H. C. Metz, who presided throughout the meeting.

The minutes of the meeting of May 3, 1933, were read and approved.

The reports of the Secretary and Treasurer were separately read and approved.

It was moved by Dr. Reynolds, seconded by Dr. O'Donovan, that the funds of the Society, which are in closed banks, be carried in separate accounts and that the bonds owned by the Society be listed both as to cost value and market value. The motion was carried.

It was moved by Dr. Davis, seconded by Dr. Walls, that the Treasurer be authorized to place the bonds of the Society in the depository for his funds. The motion was carried.

Upon motion by Dr. Reynolds, seconded by Dr. Specker, the resolutions upon the death of Dr. G. W. Line were approved and ordered published in the Bulletin.

It was regularly moved and seconded by Drs. Walls and Sample that the Finance Committee present a budget at this meeting for the year 1934, and that, at each annual meeting of the Society hereafter, a budget be adopted for the following fiscal year. The motion was carried.

It was moved by Dr. Reynolds, seconded by Dr. Roberts, that a copy of the annual budgets be sent to each officer and committee chairman named in the budget; also that the Secretary is not to issue, nor the Treasurer honor, an order which would cause the amount allotted in the budget to be exceeded unless authorized by the Board of Trustees. The motion was carried.

It was moved by Dr. Meisel, seconded by Dr. Specker, that in the event of a necessary unusual expenditure, a mail vote of the Board of Trustees be sufficient authorization. The motion was carried.

It was moved by Dr. Meisel, seconded by Dr. Walls, that the Board officially declare the fiscal year of the Society to be January 1 to December 1, as recommended by the House of Delegates, May 3, 1933. The motion was carried.

It was moved by Dr. Meisel, seconded by Dr. Davis, that all unexpended balances as allotted in the 1933 budget, be terminated as of December 31, 1933. Carried.

It was moved by Dr. Meisel, seconded by Dr. Sample, that the expenses of the First Vice President, Treasurer and Secretary to this meeting be paid out of the fund budgeted to the Board of Trustees. Carried.

Dr. O. J. Specker reported for the Bulletin Committee, and the Secretary was instructed to send a letter of commendation to the Editor, Business Manager, and the members of the committee for the work which they had done.

President Metz outlined the work being done throughout the State by the Dentists under the Emergency Relief Administration.

Upon motion by Dr. Roberts, seconded by Dr. Walls, the following resolution was received to be spread in full upon the minutes:

"WHEREAS, The Dental Profession takes a justifiable pride in the advances made in the dental practice during the past century, and

"WHEREAS, Dentistry is now considered as a necessary component of the healing art, and

"WHEREAS, The theory of focal infection is accepted and understood not only by the Medical and Dental professions but by a large portion of the laity as well, and

"WHEREAS, The elimination and prevention of focal infection in the oral cavity is considered one of the prime objects of dental operations; therefore be it

"RESOLVED, That statements such as made by the Director of Medical Relief of the State Emergency Relief Board that '95% of the dentistry practiced is luxury dentistry and only 5% is necessary,' are not only unwarranted and unsupported but are decidedly erroneous and reflect on the intelligence of the proponent; and be it

"FURTHER RESOLVED, That we vigorously protest the issuance of such unwarranted statements by public officials as a reflection on the integrity of the dental profession."

It was moved by Dr. Roberts, seconded by Dr. Davis, that the Board of Trustees recommend that the President appoint a membership committee and inaugurate an intensive membership campaign to the end that every eligible and desirable dental practitioner in this State be personally contacted, and induced to join the State Dental Society. The motion was carried.

Dr. W. E. Davis submitted the budget which was prepared by the Finance Committee.

It was moved by Dr. Specker, seconded by Dr. Walls, that the report be accepted and the budget adopted. Carried.

It was moved by Dr. Walls, seconded by Dr. Sample, that District and Branch Societies be prohibited from accepting members upon

payment of dues in an amount less than the State and American Dental Association dues which must be remitted to the State Secretary. The motion was carried.

The Secretary was instructed to send a letter of commendation to Dr. Coleman and Dr. Stetzer for the financial success of the Philadelphia meeting.

United States Senate Bill, S. 1944, known as the "Federal Food and Drugs Act" was approved by motion regularly made, seconded, and carried, and each Trustee was requested to contact his Representative and the United States Senators from Pennsylvania, urging their support of the bill.

The meeting then adjourned.

Pennsylvania State Dental Golf Tournament

Monday, April 30, 1934

Edgewood Country Club on Church Hill road—off Wm. Penn Highway (Route 22) one mile out of Wilkinsburg. Can be reached by Taxi from Wilkinsburg—Go to Wilkinsburg from down town by train, trolley or bus.

Greens fee and dinner $3.00—Greens fee alone $2.00.

All prizes awarded at dinner.

State handicap event has three divisions and three prizes in each.

Kickers event has the same number of prizes.

Also a sweepstakes event will be run by the professional, if desired.

Championship play and all prize events start at 1 P. M.—All scores must be in by 6:30 P. M. Members who are unable to play then, may play in morning by giving notice to the committee in charge. Officers and delegates have the same privilege on Sunday by giving notice.

All contestants will pay $1.00 entry fee—Non members will pay $3.00 membership fee—paid once only.

First District Dental Society

President, C. Barton Addie; President Elect, R. E. Denney; Secretary, M. M. Markus; Treasurer, S. D. Lawyer.

MESSAGE FROM TRUSTEE

The First District Society is to be congratulated on the attendance at the meetings this year, and particularly at the dinners given in honor of Dr. A. C. Wherry, President of the American Dental Association, and the one for retiring President Dr. C. H. Chain.

A very optimistic and progressive feeling has prevailed throughout the meetings this year; a marked increase in membership is looked for due in part to the prompt action of the new president in appointing his committees and getting them into action; and the new members of the board of governors who can be depended upon for their untiring efforts. They are J. L. Appleton, Jr., George Coleman, Thomas Fox, Victor Frank and Harry Mesjian.

1934 will be a memorable year for the First District Society.

A. H. REYNOLDS, Trustee

Testimonial Dinner to Dr. Chain, retiring president, was held on January 31. Dr. Chain was presented with a Placque in recognition of his service while retiring secretary Dr. Thomas P. Fox, who has served as secretary since the society's inception was presented with a beautiful desk set. One hundred and fifty members and friends were present.

On Wednesday evening, February 28, Dr. Bissell B. Palmer, of New York, President of the American College of Dentists, spoke on "Dento Socio Economics: Trends, Patterns and Precautions."

On Monday, April 16th, Dr. George B. Winter of St. Louis was the guest speaker on "Exodontia."

Dr. Harry C. Metz, President of the State Society was the guest of honor.

The annual all-day meeting will be held in November.

Delegates to the State Meeting are—Clarence Chain, C. Barton Addie, M. M. Markus, M. F. Quinn, J. J. Stetzer, J. L. T. Appleton, Jr., George A. Coleman, Thomas P. Fox, L. A. Halpern and R. E. Bishop.

• • •

Second District Dental Society

President, R. M. Walls, Bethlehem, Pa.; First Vice-President, F. I. Green, Norristown, Pa.; Second Vice-President, S. Blair Luckie, Chester, Pa.; Recording Secretary, J. F. Heineken, Paoli, Pa.; Secretary-Treasurer,, T. W. Lumis, West Chester, Pa.

Delegates to Annual State Meeting: C. L. Meyers, B. W. Barton, H. M. Roseman, J. F. Heinken, R. E. V. Miller, W. Van Buren.

Continued on Page 22

THE BENEFITS OF O

Membership in
The American Dental Association
Offers you:

1. PROTECTION and advancement of your profession and livelihood.
2. THE JOURNAL OF THE AMERICAN DENTAL ASSOCIATION. The official organ and mouthpiece of the dental profession of the United States.
3. RESULTS OF RESEARCH of the properties of various dental materials done in conjunction with the Bureau of Standards at Washington, D. C.
4. COUNCIL ON DENTAL THERAPEUTICS. Giving the results of its findings relative to drugs and dental proprietary preparations.
5. CODE OF ETHICS—a document expressing the golden rule which has stood the test of time.
6. DENTAL LIBRARY—providing for a loan of dental books, PACKAGE LIBRARY—providing for a loan of a collection of 20 to 30 articles on any specific dental subject.
7. ANNUAL MEETING—providing for what is equivalent to a post graduate course by leading authorities—the next meeting of the American Dental Association will be held in St. Paul, Minnesota, August 6, 7, 8, 9, and 10, 1934.
8. COMMITTEE ON LEGISLATION—insuring protection and representation on matters pertaining to tariff, taxes and legislation which concerns the dental profession.
9. GROUP INSURANCE—offering life insurance at a very low rate. Nearly a million dollars have been paid to members of the American Dental Association and their beneficiaries through the medium of their group insurance program. The insurance provides both death and permanent disability benefits.
10. BUREAU OF PUBLIC RELATIONS—a service which assembles material that may be used in preparing talks, radio messages and newspaper articles pertaining to dental health subjects.

ORGANIZED DENTISTRY

Membership in the
State Dental Association
Offers you:

1. ALL BENEFITS OF THE AMERICAN DENTAL ASSOCIATION—these are available only through membership in the State Association.

2. STATE DENTAL PRACTICE LAW—this law was sponsored by and kept up to date by the Legislative Committee of the State Association. This offers protection to the public as well as each individual dentist.

3. THE STATE DENTAL JOURNAL—the official organ of the State Dental Association. Besides containing the proceedings of the meetings, it presents local district news pertaining to dentists.

4. THE ANNUAL STATE MEETING—May 1, 2, 3, 1934—another post-graduate course.

5. RELIEF FUND—providing aid for needy practitioners.

6. COMMITTEE ON DENTAL LEGISLATION—keeps in contact with proposed legislation affecting dentistry.

7. LIABILITY INSURANCE—all standard insurance companies demand membership in a recognized dental society before they will issue a policy to an applicant.

8. PROGRESS—all advancements made in Dentistry have either been sponsored by or introduced through dental societies.

9. CONTROL OF ORAL HYGIENE ACTIVITIES in the schools.

10. INDIRECT BENEFITS that necessarily must be and which are carried on by organized effort.

Message From Trustee

A very friendly spirit exists in the Second District among the members who, though they live and practice in six far-flung counties, have had an opportunity to meet each other at the annual meetings.

Into the hands of the officers of each branch society has been placed the names of every practitioner who is eligible, but who is not a member of organized dentistry. A special effort is made to "sign up" the youngster just making a start. In one branch society his local dues will be suspended as an incentive. It is our belief that now, more than ever before in our history, many of these men need the contacts, associations, and moral support that organized dentistry will give them.

We have found many men practicing just within or without our borders whose membership status needed reviewing and it has been a real pleasure to find a hearty co-operation from the officers of the First, Third, and Fourth Districts in adjusting these cases.

Our present endeavor is to popularize the plan of having the election of officers of all branch and component societies held in the month prior to the State Meeting, or in April.

R. M. WALLS, Trustee

Allentown Dental Society

President, R. F. Peters; Vice-President, Joseph Hummel; Secretary, George Delong; Treasurer, O. B. Landis.

A survey of the Dental Health of school children in Lehigh County is being made, at the request of the State Department of Health. The Society is arranging for the celebration of Dental Health Week, during the first week in May.

Lehigh Valley Dental Society

President, R. E. F. Miller; Vice-President, R. E. McLaughlin; Treasurer, J. T. Hummell; Secretary, E. S. Giber.

Recent meetings: Feb. 19th—Essayist Dr. Thomas P. McNulty, New York, "The Diet in General and its Relation to Dentistry." March 21st—Essayist Dr. Paul Simonsen, Philadelphia, "Porcelain Jacet Crowns and Porcelain Inlays."

The Annual Meeting and Golf Tournament will be held at the Northampton Country Club, May 21st.

Bethlehem Dental Society

President, R. B. Hess; Vice-President, R. G. Smullin; Secretary, D. J. Ganey; Treasurer, G. Albrecht.

At a recent meeting by-laws, etc. were discussed. It was decided that the society should function under the name of "The Bethlehem Dental Club" so as not to be confused with other societies of the district. On March 19th and 20th a two day class was held by Dr. G. A. Hiatt of the William Gold Refining Company, Inc.

Dental Society of Chester and Delaware Counties

President, Charles L. R. Myers; Vice-President, Joseph F. Chermol; Secretary, P. H. Ace; Treasurer, James J. Rogan.

Last Meeting, March 21st, Pierre's Restaurant, Upper Darby, Phila.

Table Clinic: "Local Anaesthesia," John Gunter and Wm. Thompson, Phila.

Paper: "Oral Diagnosis," Thomas J. Cook, Phila.

Montgomery and Bucks Counties Dental Societies

President, C. Roselle; Vice-President, L. Markowitz; Secretary, J. Klees; Treasurer, L. Vantura.

Recent meetings: February, Dr. E. A. Manning, Chester, Pa., "Bridge Abutments and Pin Inlays;" March, Dr. Karl W. Knapp, New York, "Castings and Its Problems."

Next meeting—April, Dr. J. W. Doane, Philadelphia, "Drug Inebriate."

May meeting—Society will take a trip to the Walker-Gordon Farms at Plansborough, N. J.

• • •

Third District Dental Society

President, Allison H. Miller; Secretary, J. H. Harrison.

Delegates to Pittsburgh—J. B. Flanagan, H. D. Matten, L. Trewaskis, M. S. Boland, E. H. Finmeaty.

Hazleton Dental Society

President, William Kennedy; Vice-President, J. V. Cox; Vice-President, J. W. West; Secretary, M. S. Hoch; Treasurer, H. E. Peters.

Last meeting: Elk's Club House in Hazleton—Essayist, Mr. B. C. Akerly, Scranton, "The Plastics."

Scranton Dental Society

President, William E. Lawler; Vice-President, T. A. Eynon; Treasurer, C. B. Watrous; Secretary, E. H. Finnerty.

Directors—M. F. Boland, A. B. Allen, J. J. Murray, Allen Davis, J. G. Gallagher.

Meeting Night—4th Monday of each month.

Luzerne Dental Society

President, E. G. Hungerford; First Vice-President, R. B. Lecher; Second Vice-President, R. H. Goulstone; Secretary, H. D. Matten; Treasurer, A. G. Morrish.

Directors Marcus Miller, C. A. McGuire, Paul Matusavage.

Meeting night—3rd Tuesday of each month.

Fourth District Dental Society

Message From Trustee

The Fourth District is at present busily engaged in making the examination of the School Children requested by the United States Public Health Survey.

There are about 111,000 children in the grades in the three counties. If the instructions had been received earlier a 100% examination would have been attempted.

We trust that the 10% survey wil be completed by April 1st. The co-operation from the school authorities both city and county has been very fine.

The membership committee appointed by the president has quite a task on its hands. This committee should contact every ethical Dentist, in the District, who is not a member of the District Society.

If this committee will do a real honest job our membership can be greatly increased. Let our goal be a 100% membership in the District before the State Meeting.

The Branch Societies in the District have been active throughout the year, regular meetings being held and an excellent spirit of harmony prevailing.

OTTO J. SPECKER
Trustee

List of Elected and Appointed Officers

ELECTED OFFICERS

President—Chas. R. Evans, Lebanon, Pa.; Vice-President, Ralph E. Baker, Shamokin, Pa.; Secretary—F. H. Hoeffer, Reading, Pa.; Treasurer—Ed. S. Filbert, Pottsville, Pa.

Schuylkill Dental Society

President, R. G. Gould, St. Clair; Vice-President, John Breslin, Lansford; Corresponding Secretary, R. M. Barthels, Shamokin; Financial Secretary, Paul Schneider, Mt. Carmel; Treasurer, H. L. Logan, Mt. Carmel.

Lebanon County Dental Society

President, C. P. Marbarger, Palmyra; Vice-President, S. B. Groh, Lebanon; Secretary, Joseph Farquhar, Palmyra; Treasurer, Leroy Heilman, Annville.

Reading Dental Society

President, F. W. Herbine; Vice-President, H. E. Griesemer; Treasurer, H. L. Cleaver; Secretary, O. J. Specker.

• • •

The Fifth District Dental Society

President, C. N. Frout, Red Lion; Vice-President, P. E. Bamberger, Lancaster; Secretary, A. E. Reidel, York; Treasurer, C. A. Good, Harrisburg.

Trustee—Herman H. Cawood, Lancaster.

Delegates to Pittsburgh—J. T. McNinch, Lancaster; B. E. Byers, Harrisburg; H. E. Trostel, York.

Alternates—J. Ludas, Harrisburg; R. S. Bordner, Lancaster; C. S. Bressler, York.

Harris Dental Association

President, J. T. McNinch; Vice-President, M. A. Becker; Secretary, S. H. Appleyard; Treasurer, W. H. Trout.

Meeting night—Third Tuesday. Place—Medical Club Rooms, Lancaster.

Notice

The Philadelphia District Dental Hygienists Association wishes to announce the opening of a registry for Dental Hygienists. Any dentist desirous of securing the services of a Dental Hygienist please address all communications to Miss Helen Temple, 128, N. 50th St., Philadelphia.

Sixth District Dental Society

Message From Trustee

The 6th district has been doing a very definite service for the general public in its 9 counties of which it is composed, not only in the emergency relief service which has been outstanding, but in the numerating of all the defective mouths of children in the various grades in the many schools in the district. This work is in charge of a very competent Dentist, Dr. F. H. Housel of Milton, Pa.

Two very strong factors are involved in the above service.

1st—A definite knowledge is given to both young and old concerning the great value of mouth health and the many disorders that may arise from its neglect.

2nd—A propaganda for the breaking down of many restricted walls which are keeping this important knowledge from the laiety or the general public.

It is not consistent to ask co-operation from our "clientele" in bringing about and maintaining mouth-health if they are kept ignorant of the knowledge which would guide them to co-operate with us that they may receive the instructive and constructive services which they are justly entitled to receive.

F. W. CLINGER,
Trustee of 6th District

Sixth District Dental Society officers are as follows:

President, Dr. M. D. Nesbit, Lewisburg; Vice-President, Dr. J. A. Law, Towanda; Secretary-Treasurer, Dr. E. A. Brown, Sunbury.

Delegate, Dr. F. H. Housel, Milton.

Trustee, Dr. F. W. Clinger, Milton.

Directors, Dr. S. B. Black, Towanda; Dr. E. H. Skillman, Williamsport; Dr. D. S. Miller, Sunbury.

Annual meeting will be held at Packer Hospital, Sayre, in May.

Tri-County Dental Society

President, Dr. E. A. Brown, Sunbury; Vice-President, Dr. J. M. Moore, Danville; Secretary-Treasurer, Dr. R. A. Walborn, Sunbury.

Time of Meeting—First Tuesday.

Valley Dental Society

President, Dr. S. D. MacLaren, Towanda; Vice-President, Dr. N. B. Edwards, Wyalusing; Secretary-Treasurer, Dr. J. A. Law, Towanda.

Time of Meeting—Fourth Tuesday.

At a recent meeting of the society, Dr. Phil Gorman of Binghamton gave a very interesting Table Clinic on Exodontia. At the January meeting, Dr. G. F. Carling of Sayre led a discussion of Dry Sockets. This was in the form of a round table discussion, with every one called on for comments or ideas on treating Dry Sockets.

The last regular meeting of the Valley Dental Society was held in Athens, Tuesday evening, February 27th. Dr. John B. West of Elmira, N. Y. gave a clinic on Pathology.

Lycoming Dental Society

President, Dr. Joseph E. Logue; 1st Vice-President, Dr. Oscar Maul; 2nd Vice-President, Dr. George Hevener; Treasurer, Dr. T. R. Morrison; Secretary, Dr. E. C. Hassenplug, Milton.

• • •

Seventh District Dental Society

The Central Pennsylvania, 7th District Dental Society held their meeting in Altoona on February 25-26-27. The following officers were elected:

President—Richard T. Wicks, Johnstown, Pa.; Vice-President—Ralph C. Wilson, Huntingdon, Pa.; Secretary—J. L. Porias, Nanty-Glo, Pa.

While we are not a political organization, our society endorsed unanimously the candidacy of Hon. Marion D. Patterson (Judge of Blair Co.), for the high office of Governor of Pennsylvania, because we know that if he is elected that dentistry will have a fine friend as Governor.

The paramount issue before the Penna. State Dental Society is increased membership. The united efforts of all members toward this end is not only desirable, but an urgent necessity if we are to go forward.

FRED D. MILLER, Trustee 7th District.

The thirty-second annual meeting of the Central Pennsylvania Seventh District Dental Society was held in the Penn Alto Hotel, in Altoona on February 26, 27 and 28. On Monday morning we heard a lecture by Dr. A. B. W. Suter, of Philadelphia, on "A Professional Phase of Dental Economics" while in the afternoon Dr. L. M. Ennis of the School of Dentistry of the University of Pennsylvania spoke on "Dental Roentgenology in Relation to the Maxiliary Sinus, the Nutrient Canals, and Foramina of the Maxilla and Mandible. Interpretation," and a lecture "Anaesthesia and Extraction" by Dr. William Paul Walker and William Harry Archer, Assistant Professor, Anaesthesia and Exodontia and Lecturer, General Anaesthesia and Exodontia respectively at the Dental School University of Pittsburgh.

Tuesday was given over to clinics and lectures by representatives of different dental manufacturers and dealers who had exhibits at the meeting.

On Wednesday Dr. Clyde H. Schuyler of New York spoke on "Advantages of and Technique for Immediate Denture Service" and Dr. Edward Kennedy of New York spoke on "Designing and Technique for Partial Denture Construction." In the afternoon both men gave practical clinics on these two subjects.

On Wednesday we were honored by having the President of the State Society, Dr. H. A. Metz, of Pittsburgh with us. He gave a short talk on Emergency Relief Dentistry.

Officers elected at the meeting to serve for next year are as follows:

President—R. T. Wicks, Johnstown; Vice-President—C. Ralph Wilson, Huntingdon; Treasurer—E. D. Marchl, Johnstown; Financial Secretary—J. D. Mathewson, Altoona; Recording Secretary—J. L. Porias, Nanty-Glo.

Council for three years—W. H. Kredel, Johnstown; L. N. Ray, Altoona.

Censors—W. G. Roth, Altoona; Boyd Ellsworth, Johnstown; H. L. Forney, Berlin.

The society passed a resolution to invite the State Society to hold their meeting in 1935 in our district.

• • •

Eighth District Pennsylvania Dental Society

OFFICERS FOR 1934

President, Dr. Harold D. Colt, Warren; Vice-President, Dr. V. E. Schermerhorn, Bradford; Secretary-Treasurer, Dr. Harvey D. Roberts, Johnsonburg.

MESSAGE FROM TRUSTEE

A membership drive has been in progress throughout the district and while the results are not all that is desired they are at least encouraging. Forty per cent of the possible membership in the district has been signed up to date with the campaign still in progress.

The various county societies in the district have been holding regular monthly meetings with some excellent programs, and very fine attendance. Among the essayists appearing before the branch societies were Dr. Fred Miller of Altoona, Dr. Floyd Gibbin of Buffalo, Dr. Amos G. Stiker of Addison, N. Y., Dr. H. C. Metz of Pittsburgh, Dr. E. F. Bay of Jamestown, and Dr. Wakefield of Buffalo.

The clinic committee under Dr. Colt is preparing an elaborate program for the Annual spring meeting which will be held in Warren, June 7th, and a record breaking crowd is confidently expected.

HARVEY D. ROBERTS

Notice

A meeting of the Journal Staff will be held during the convention. Watch the Bulletin Board at the William Penn Hotel for the place and time.

THOMAS J. COOK, Editor.

Ninth District Dental Society

MESSAGE FROM TRUSTEE

With a potential membership of a little over four hundred in our district our goal is 50% membership by the time of the State Meeting the first of May.

If the county officers will see that their membership committees get to work and make personal contacts with those men who have not paid, our goal will be attained.

Lack of money is not a valid excuse for not joining their society in the great majority of cases. Money is found for their other pleasures and activities and the excuse is used to cloak their lack of interest. The county society program should be of great enough interest to attract them and the presence of the State Meeting at Pittsburgh with the excellent program should be an added attraction. Let everyone be assured that no one will be admitted to this meeting whose dues are not paid.

If any of the County Advisory Committees are having any difficulty with the federal relief they should communicate with the State Committee through Dr. Metz or with the Trustee's office.

I hope that all who possibly can will go to Pittsburgh for the meeting, May 1, 2, 3.

SEE YOU AT THE WILLIAM PENN.

ROLLO J. SAMPLE, Trustee

Erie County Dental Society

February 21, 1934

"WHEREAS, Our esteemed friend and fellow member of our society, Dr. John M. Horner, has been incapacitated for further active practice in our profession, and

"WHEREAS, Upon graduation from the School of Dentistry of the University of Pennsylvania in 1901 he entered practice in Erie, Penna., where he has practiced continuously since, and

"WHEREAS, He was a charter member of The Erie Dental Society, and has been active in its affairs since its inception being in 1908, its seventh president, and

"WHEREAS, We hope to have the benefit of his friendship and wise council continued, therefor be it

"RESOLVED, That Dr. John M. Horner be elected to Honorary Membership in this society, with all of the benefits and privileges thereunto appertaining, and be it further

"RESOLVED, That a copy of these resolutions be spread upon the minutes of this society, and copies sent to Dr. Horner and to the Pennsylvania State Dental Journal for publication."

Approved and so ordered by vote of the members in regular meeting on February 21, 1934. Signed—R. Clinton McChesney, President; C. R. Griffing, Secretary.

Signed and presented by Chas. N. Fiero, John J. Koehler, George F. Mohr, Carlton F. Cantor, Rollo J. Sample.

Delegates to State Meeting—W. C. Dunn, Meadville; J. T. O'Leary, Girard; F. M. Holstein, Grove City.

Tenth District Dental Society

MESSAGE FROM TRUSTEE

Inasmuch as the 1934 meeting of the State Society will be held in Pittsburgh, it becomes in some respects a local meeting, in that attendance at the meeting will be much more convenient for members of the local district.

May I urge all local men to plan to attend.

The committees in charge are working hard, for your welfare. A good program is assured.

Dentistry must go forward progressively, in spite of economic and any other deterrents.

Be on hand to participate in the activities of your Society. Encourage the men who serve on committees. Your presence demonstrates that their efforts are appreciated.

In order to be qualified to attend this meeting your dues must be paid promptly. Do not neglect this duty until it is too late.

Every dentist owes an obligation to his brother-practitioner to support the organization which operates for their mutual welfare. In these uncertain days of social changes, dentists should knit themselves together into a unit, for mutual aid, support, and strength. All are affected. Do your part by continuing your membership; by bringing other dentists into the organization; and by attending the meetings and taking part in the work of your organization.

E. G. MEISEL, Trustee.

Tenth District Officers

President—J. A. Pennington, Jenkins Arcade Bldg., Pittsburgh, Pennsylvania.
Vice-President—W. D. McClelland, Arlington Ave., S. S., Pittsburgh, Pennsylvania.
Secretary—A. G. Wicks, Jenkins Arcade Bldg., Pittsburgh, Pennsylvania.
Treasurer—A. J. Cross, Freedom, Pennsylvania.

Delegates

W. A. McCready, E. R. Robb, A. C. Young, P. V. McParland, W. D. McClelland, J. A. Helfenbine, J. A. Pennington, W. E. Craig, A. S. Lawson, W. E. Mendel, A. C. Barclay.

Alternates
